

We are a year-round Performing Arts Academy...your lessons continue until you tell us you want to stop. The 2018-19 season has 45 weeks of lessons & 3 Recitals for a total of 48. Annual tuition is broken into 12 equal monthly payments for your convenience. Most months you'll receive 4 lessons/recitals, some months there will be 3 or 5, but tuition remains the same each month. You're not charged for lessons on the weeks we're closed. Students can begin lessons at any time during the year & tuition is pro-rated. Monday students get one less lesson due to the Memorial Day holiday on 5/28, so May tuition is prorated to reflect that day off.

MAKE-UP LESSONS: There are no refunds for missed or cancelled lessons. To earn a makeup lesson you must call, text or email your teacher to let them know of your absence BEFORE 10 am for afternoon classes, or BEFORE the class begins for morning classes. To redeem an earned makeup class use the student portal to schedule a lesson in an available opening. Makeup classes are only given in the spot of another absent student or in the quarterly Piano Party workshops.

STOPPING LESSONS: With a year-round program, your lessons continue until you tell us you want to stop. One month's notice (30-31 days) is required to stop lessons. You must complete the Withdrawal Form (we'll email it to you) and schedule any outstanding makeups you can fit in your last month of lessons. Any unused makeups will be forfeited after withdrawal.
